The Collection 2023

The Dobla Touch

At Dobla we believe that sweet indulgence should not only taste great, it has to look irresistible too as consumers buy with all of their senses. It is therefore our mission and passion to help our customers to create exciting experiences for their consumers through our chocolate decorations.

Dobla offers the finishing touch that turns any recipe creation into an exciting experience of indulgence. That's what we call 'The Dobla Touch'

For this new edition of Dobla's Collection we have used a number of important trends as source of inspiration.

In this hectic and fragile world, people look for the familiar. They find comfort in recognizable elements, but with a modern twist. Our pastry chefs have incorporated this by combining classic creations with basic geometric shapes. This also results in more refinement and a higher quality perception, which consumers appreciate.

Furthermore, people increasingly want to express how they feel and what they stand for. They subconsciously base their behavior and choices on how they feel, their 'State-of-Mind', rather than who they are as a person. Understanding this, allows us to better create the right indulging experiences for consumers.

We hope that our Collection 2023 will inspire you, your teams and your customers, to create relevant exciting experience of indulgence. Please do not hesitate to contact us if you have any ideas or questions.
