Three Mango Pamelos are arranged diagonally on a white, irregularly shaped plate. Each Pamelito is a small, golden-brown, boat-shaped bread filled with a yellow mango and pamplet mixture. They are decorated with white edible flowers, purple and pink edible petals, and small white and black seeds. The background is a light-colored, marbled surface.

### Our Seasonal collection & Order waves

Our Spring/Summer collection consists of both seasonal items available for a limited period each year & items that are available year round, but fit the seasonal theme very well!

For strictly seasonal items we do not hold stock. These items are only available according to the Order waves. When an item states 'All year round available' it means it is part of our year round collection and can be ordered accordingly. However, we strongly recommend to order these along with the Order waves to guarantee timely availability.
