INNOVATION IN CHOCOLATE

The Collection 2018.

For us, innovation is not only defined through our new products, but also how we treat our customers and employees through our values, mission and vision. We are not only innovating the way people see chocolate, we are innovating the way people conduct business through integrity and our commitment to excellence.

Dobla introduces our collection of premium chocolate products that provides a professional touch to any dessert as well as uniqueness to the everyday.

It is through our innovations that we deliver quality and satisfaction to our customers.

Kits

Kits

Dobla has created seasonal kits to help add fun designs to your favorite displays. Kits are an affordable way to limit waste, help with smaller inventory quantity, and also reduce the number of SKU's. Ask your Dobla sales rep about seasonal kits or create your own custom kit with our logo line. Each kit comes with a logo piece and curls.

IMPORTANT
Please note that the minimum order quantity for custom kits is 250 boxes.

INNOVATION IN CHOCOLATE

INNOVATION CENTER

The beating heart of Dobra is our Innovation Center. This is where we bring new ideas and concepts to life. The innovation center is equipped with the very latest culinary technology to support the needs of all our customers.

“Dobra wants to be the leader in the world with innovative decorations that enhance the development of pastry. You can read numerous books or sit behind a computer every day, but that doesn’t work in our business. We have to practice. Our Innovation Center is a source of inspiration where we can brainstorm and turn concepts in to reality.”

No matter the innovation, it is our promise to work with you to have your creations come to life.

EcoRecipes

Dobla Kessel has a **rain water reservoir** for domestic hot water use only.

No use of pesticides.

RENEWABLE RESOURCES

30%

of the electricity demand is supplied by **solar panels** in our production facility in Kessel, Belgium.

The remaining **70%** comes from other renewable energy sources.

DIGITAL FOOTPRINT

Dobla uses more **digital brochures** than printed versions.

We only use **energy saving lights and sensors** in all our facilities.

DOBLA PACIFIC PASTRY ACADEMY

Where all our employees in Vietnam learn:

the **English language**

hygiene regulations

to become **chocolatiers**

Isolation panels have been installed in the entire Vietnam facility.

In the production of Dobla decorations, quality takes the highest priority. All of our employees are being trained on a regular basis on all quality matters and requirements. BRC, ISO 9001 and all other standards are integrated in the way of thinking of all employees. We are also able to produce Kosher under the supervision of the Rabbi.

Since 2010 Dobla is UTZ certified. As a certified buyer, Dobla supports better business practices, a better environment and a better life for cocoa farmers. In case you would like more information regarding our certificates, please contact our quality department (qa@dobla.com). They will help you with all your questions related to this subject.

Dobla is co-founder of:

BAC has created a special line of products to give a boost to the bakery industry and herewith supports the foundation Against Cancer.

RAW MATERIALS

Dobla buys raw materials from UTZ certified suppliers and insures good working conditions for their employees.

Together with the local authorities in Vietnam, Dobla has installed a treatment system for waste water.

Dobla supports an orphanage in Vietnam.

RECYCLED MATERIALS

100%

of the plastic and paper/cardboard waste is recycled

And all our packagings are made of recycled material.

No waste of chocolate in our production facilities.

TRANSPORTATION

Dobla Asia will directly serve local markets for a faster and more efficient supply chain.

This means a great reduction of CO² emission.

HYBRID

All new corporate cars are hybrid cars.

Dobla supports a cacao plantation and an orphanage in Vietnam.
