| Vanilla seeds | 4g |
| Egg yolks | 70g |
| Sugar | 70g |
| Egg whites | 200g |
| Sugar | 70g |
| Totaal | 554g |

VANILLA LADY FINGER SPONGE

Sift together the flour with the starch and add the vanilla seeds. In the mixing bowl, whisk the egg yolks with the sugar to ribbon stage and incorporate delicately with silicon spatula the flour mixture. Whisk the egg whites with sugar to bird's beak texture and gently add them to the egg yolks mixture. Fill the stainless inox ring 16cm ø and bake for 30min at 160°C in the convection oven. Let cool down and unmold. Clean the ring and place back the sponge inside.

HAZELNUT CREAM

| | |
|------------------------------|-------------|
| Whole milk | 100g |
| Gelatin mass 200 Bloom | 24g |
| IRCA Nocciolato Sinfonia 32% | 180g |
| Heavy cream 35% fat | 200g |
| Totaal | 506g |

HAZELNUT CREAM

Melt partially the hazelnut chocolate. Bring to boil the milk, add the scratched vanilla pods and let it infuse for a few minutes. Pass through the chino and add the melted gelatin mass. Pour gradually into the melted chocolate to obtain a nice emulsion. Add the cold liquid cream; mix for a few seconds with the hand-held mixer and let crystallize in the refrigerator for around 6 hours. Cover the lady finger sponge with a generous layer of hazelnut cream and cover with a slice of hazelnut sponge on top.

MOIST HAZELNUT SPONGE

| | |
|---------------------|-------------|
| Whole eggs | 190g |
| Brown sugar | 75g |
| Hazelnut powder | 185g |
| Hazelnut paste 100% | 60g |
| Potato starch | 60g |
| Baking powder | 6g |
| Cream 35% fat | 140g |
| Totaal | 716g |

MOIST HAZELNUT SPONGE

Blend all the ingredients in a food processor. Pour the mass into circles and bake in a closed vent fan oven at 180°C.

CONFIT LEMON YUZU

| | |
|--------------------------------|-------------|
| Ravifruit Lemon yuzu puree | 250g |
| Ravifruit Pears Williams puree | 105g |
| Sugar | 105g |
| Inulin | 27.5g |
| Potato starch | 17.5g |
| Totaal | 505g |

CONFIT LEMON YUZU

Mix the purees. Hydrate the gelatin in half the weight of the puree for about 15 minutes.

Mix the remaining purees with sugar and potato starch, bring to the boil.

Add the gelatin mass, mix well. Pour into a tray, cover with clean film and cool quickly.

When cold, pass through the hand blender to smooth it and spread a thin layer of lemon yuzu confit until the top the ø 16 cm inox ring. Freeze completely and unmold.
