

Christmas greeting

Christmas Eve is coming and the bell is greeting! It is windy and snowing outside, leaves are falling.... Special occasion, special mould: I just like playing with it, giving contrast with shapes and colors. A combination of warm flavors made from chocolates, hazelnut, caramel, vanilla.

Recipe

Chocolate Viennois Sponge

Assembly, layout and finishing

Mold one
First, inside an inox ring, make an insert with the chocolate sponge, the salted caramel, and the ganache. Freeze and unmold.
Pour part of the hazelnut mousse into the bottom part of the mold one until half and then, place the frozen insert over the mousse. Cover with the remaining mousse keeping space to place the sponge on top. Freeze and unmold.
Spray the bottom part with the dark chocolate mixture and the top part with the Sinfonia Nocciolato Bianco.

Mold two
Unmold and glaze the top with the caramel glaze. Place it delicately over the part one.
